## Leadlight Diffusers by Statewide

\* Statewide Skylights Leadlight Diffuser are a stained glass overlay that gives a charming enhancement to any room.

\* Our product gives the appearance of leadlight by using a polymer mylar film and leadlight strips on a single piece of glass or ~~hardened acrylic~~ which are used to enhance residential and commercial properties for windows, doors, walls and sidelights etc.

\* Our product has undergone rigid testing, and has been used for over 20 years internationally.

- Standard patterns and colours
- Clear or obscure safety glass
- ~~Clear or obscure acrylic~~
- Prismatic-obscure-diffuser
- Colour grid available (Colours may vary slightly)
